

The Original ClenAir™ Odor Neutralizer

ClenAir's unique odor neutralizing formula removes odors quickly and permanently. It is a true odor eliminator, not a mask. Originally designed for use in central air systems, on fire and flood restoration jobs and in sewage facilities, ClenAir is a professional product, yet it leaves no lingering antiseptic or perfume smell. It is great for odors caused by fuel oil, smoke, pets, mold and mildew, cigarette and cigar smoke, decay, cleaning solvents, and even skunks. ClenAir has three different scents: Original, CherryAir, and OrangeAir. The scents come in multiple sizes for multiple applications.
