

**Evap-Fresh® No Rinse Liquid†**

Evap-Fresh ready-to-use liquid spray is a non-abrasive, one-step cleaner and disinfectant for evaporator coils in small air conditioners, commercial air handling equipment, HVAC cooling coils and refrigeration equipment. It is the first product of its kind in the industry to receive EPA registration for such claims. Although Evap-Fresh is highly effective at cleaning and controlling mold and mildew on evaporator coils, it can also kill SARS-CoV-2 on hard, non-porous surfaces in 60 seconds! Evap-Fresh's chemistry is listed on the EPA's Registered Antimicrobial Products for Use Against Novel Coronavirus SARS-CoV-2, the Cause of COVID-19.

The following products are part of Nu-Calgon's Environmentally Friendly Green Select line. These coil cleaners meet the U.S. EPA Safer Choice Program standards, making them a safer choice for the user and the environment.

**Cal-Green™ Condenser Cleaner**

Cal-Green is a plant-based, natural condenser cleaner that is powerful enough to remove dirt, grease, and grime. It meets the U.S. EPA Safer Choice Direct Release Program standards, making it a safer choice for the user and the environment. This non-foaming, non-toxic concentrate is perfect for cleaning residential or commercial systems and restores their efficiency while being environmentally responsible. Also OEM approved for microchannel coils.

4x concentrate 1 quart*	4190-90
55 gallon drum	4190-01

\* Use with CleanConnect Sprayer (4773-0). Cal-Green 4x is not an EPA Safer Choice Product.

**Evap-Green™ Evaporator Cleaner**

Evap-Green is a no-rinse product that is perfect for numerous heating and air conditioning applications, such as evaporator coils, roof top units, window units, metal filters, fan blades, and more. Evap-Green meets the U.S. EPA Safer Choice Direct Release Program standards, making it a safer choice for the user and the environment. It is also biodegradable and will not harm plants, animals, or aquatic life. Metal-safe — meets OEM guidelines for all aluminum coils, including microchannel types.

1 gallon bottle	4191-08
55 gallon drum	4191-01

**Green Clean**

Green Clean is a pleasantly scented, all-purpose, environmentally friendly cleaner designed for the rapid removal of grease and other heavy soils on coils and other surfaces. It meets the U.S. EPA Safer Choice Program standards. It can be used right out of the bottle or diluted for milder jobs. Biodegradable. Also great for microchannel coils.
